## Apple Child Care Center

### The Parent Handbook Calendar Year 2024

*Revised: April 18, 2024*

The Parent Handbook has been written to provide you with information about programs, policies, and procedures at Apple Child Care Center. Families play a critical role in school readiness and preparing their child for success. Apple Child Care Center provides a comprehensive program in safe, nurturing, and secure learning environments. Children are engaged in activities that help them grow mentally, socially, emotionally, and physically. As parents, we really need you, working with us, to positively influence your child's learning and development.

Please keep this handbook in a convenient location so that you can refer to it as needed. Please note that the Handbook is continually updated with information; check with us for the latest version.

We want to hear from the parents. Please contact our staff with any questions or concerns. Apple Child Care Center is licensed by the Department of Human Services, Philadelphia PA.

**Josh Borenstein, Director**

***Apple Child Care Center is a certified Keystone STAR-4 preschool.***

**Welcome: Our Philosophy and Goals**

Apple Child Care Center is guided by our mission and our core values to help preschool children reach their full potential. We offer safe, clean, exciting, and creative high-quality classrooms with loving, engaged staff that encourage learning through play and discovery in a supportive and nurturing environment. We use The Creative Curriculum®, the #1 preschool curriculum that provides instruction, promotes language and literacy, nurtures math skills, and more in all our classrooms, that includes: Infants, Young Toddlers, Older Toddlers, Preschoolers and Pre-K children.

Apple Child Care Center is a high-quality, Keystone STAR-4 certified early childhood preschool. Consistent with the learning standards of Keystone Stars, teachers create opportunities throughout the day that guide children in building foundations for social, emotional, language, literacy, cognitive, gross motor, and creative arts development. Instruction and guidance are to be designed that allows children to develop based on their unique needs and individual learning styles that helps children achieve developmental success.

Keystone Stars initiatives have been a defining moment in our evolution as a high-quality educational center, and in helping us create exciting learning environments and staff engagement in care.

**Admissions**

Apple Child Care Center has an open admissions policy. Admissions, the provisions of services, and referrals of clients shall be made without regard to race, color, religious creed, disability, ancestry, national origin (including limited English proficiency), age or sex, and in compliance with The American Disabilities Act (ADA).

Program services shall be made accessible to eligible persons with disabilities through the most reasonable, practical, and economically feasible methods available. These methods include but are not limited to, equipment redesign, the provision of aides, and the use of alternative service delivery locations. Structural modifications shall be considered only as a last resort among available methods.

Apple Child Care Center meets and exceeds the regulations and guidance set by the Philadelphia Department of Human Services and the Philadelphia Department of Public Health for the safe operation of a childcare center.

Teachers provide children with a safe, friendly, and secure classroom environment. Our rooms are busy, interesting, activity-centered places where children enjoy learning through play and exploration.

We at Apple Child Care Center believe that children learn best when they are given opportunities to participate in activities and play that involve physical and social experiences. We carefully balance activities that develop cognitive skills with painting, block play, and dramatic play to enhance social and emotional development. The staff of caregivers and facilitators carefully structures the classrooms and plans learning experiences to guide children in their development.

**Visiting Apple Child Care Center**

All families (parents, custodial parents, legal guardians) with children enrolled in our programs can visit their child's classroom. For prospective new enrollments, families must call our school office prior to arrival in order to schedule a tour.

**Video Surveillance**

Automated video surveillance is used at Apple Child Care to monitor and record activity in all classrooms, hallways, and outside areas around our building. Our professional quality system is designed to enhance the security and safety of children and staff through monitoring. Cameras capture live video footage, which can be viewed in real-time, and is also recorded on our NVR. For privacy and safety reasons, the viewing of video images is not provided to parents. The viewing and assessment of video is done by our Director and School Office administration to insure the privacy and safety of all children. In addition, our image data is not made available on the Internet. Parents that have any concerns should speak with our Director.

**Code of Conduct**

It is expected that parents and other family members of enrolled children will be respectful and courteous to all our staff and with other families and their children. There are many children and their families at our center, and we ask parents to respect their right of privacy. Behavior that disregards this policy, either physical or verbal that is threatening, aggressive or disrespectful, can result in exclusion from our center.

Teachers and office staff are also covered under a policy code of conduct, and if a parent experiences a violation, they should report the incident and their grievance to our Director or school office.

### **Enrollment of Your Child**

There are a number of forms that need to be completed for your enrollment. Our school office will assist parents with these forms. Included are an Enrollment Agreement, a Health Assessment to be completed by your child's pediatrician, an Emergency Contact Form, a meal program form, and other documents. There is an initial registration fee at the time of registration, and this helps us manage our administrative costs. Parents will be asked to periodically update their forms, and at such time our office will advise you.

Once children are enrolled, they are assigned to a specific classroom based on their age and development. Apple Child Care Center provides programs and separate classrooms for Infants, Young Toddlers, Older Toddlers, Preschool, Pre-K, and PHLpreK age groups. Each classroom has a maximum number of children, and a specific child-to-staff ratio that we maintain at all times.

Apple Child Care Center runs its programs all 52-weeks each year in our Infant, Young Toddler, Older Toddler, Preschool and Pre-K classrooms. The exception is the PHLpreK program, which runs consistent with the Philadelphia District calendar year, and an optional summer camp program is available for these students at Apple Child Care. Please contact our school office for more information.

### **Confidential Information**

Sensitive information that our center maintains on individual children under our care and their families is treated with strict confidentiality and shared internally on a need-to-know basis. Examples are (but not limited to) the Emergency Contact form, Health Assessment, Meal application, plus other documentation that is maintained in your child's file. The Dept. of Human Services (DHS) and other authorized governmental agencies have the right to inspect confidential files. Photos and videos of your child are encouraged, but for parents to be mindful of the privacy of other children in any photos or videos.

### **Photography**

In our classrooms, photos are an essential communication tool for teachers, parents, and staff throughout the school year. We regularly hear from parents about how much they appreciate receiving these photos from the teachers. Photos help prompt parents with talking points about your children's experiences, which is important because many students (especially the very young) do not always articulate what they did at school or what they are learning. So, we may at times share photos with you using the **ClassDojo App**. Our staff can help you get setup with the app.

### **Child Vaccinations**

Apple Child Care mandates vaccinations for enrolled children, and we reserve the right to refuse a child that is not vaccinated. There are no exemptions from immunization for religious belief or strong personal objection equated to a religious belief. The child's health assessment from their pediatrician will be kept in the child's record. Exemption from immunization for reasons of medical need must be documented by a written, signed, and dated statement from the child's physician or physician's assistant and will be reviewed by the Director regarding admission into our program.

### **Tuition**

Apple Child Care Center accepts state tuition subsidies through Child Care Works (CCW or ELRC) and for our PHLpreK programs, as well as private pay. Our school office staff and/or Director can refer you to the appropriate agencies that offer tuition subsidy. Families are responsible for any co-pays identified by the state subsidy provider in your subsidy agreement. Private-pay fees at Apple Child Care Center are very competitive with other childcare programs in the area. Families are also responsible for paying tuition regardless of absences due to illness, vacation, holidays, staff in-service days, or weather.

### **Tuition Payments & Online Portal**

Tuition is paid weekly. We offer the MyProcure online portal for payments by credit card, debit card or ACH, and to display your account tuition and payments. Our school office staff will help parents get setup in this system. Additionally, parents can pay at the school office where we accept cash, credit cards, debit cards, personal checks, and money orders. Receipts are also available upon request.

No credit is given for vacation time, holidays closures, a child's illness, an emergency closure, or adverse

weather. Your payment guarantees your child's spot in their classroom. Non-payment of tuition is grounds for immediate dismissal of your child from their program. There is no multiple child discount.

A returned check from the bank is assessed with a \$35.00 processing fee billed to the family. If two or more checks are returned from the bank uncollected, then Apple Child Care Center may then require tuition payments by cash, debit/credit cards, or money orders.

If a parent that receives a tuition subsidy, then loses that subsidy, the parent is responsible for contacting our school office and advising us of your situation. The parent is responsible for any tuition costs incurred.

### **Infant Room: What to Bring**

Parents that wish to enroll in our infant room should note that the very minimum age of the child must be 6-weeks. If a child was a premature birth, then we may set the enrollment at 3-months or greater. We encourage parents to discuss this with our director or school office. There is a no-shoe policy in our infant room. Parents can remove shoes just outside the infant room door and enter with their socks or parents can put on "booties" that we provide over their shoes. The booties are outside the infant room door. Our office staff will advise parents upon enrollment of what to bring for their infants, that may include formula, bottles, diapers, diaper cream, sheets, bibs, and other items.

### **Toddler & Preschool Classrooms: What to Bring**

There are general guidelines for these rooms. Bring a child's bag or backpack with the items that your child may need, such as a sheet for naptime, a small blanket, extra clothes to change into, a plastic bag for soiled clothing, extra warm clothes during cold weather, extra shoes/sneakers, sunscreen (summer months), bug spray, and your child's classroom teacher can help with other suggestions. All items must be marked with your child's name, including the bag or backpack.

### **Toys from Home**

We request that children generally do not bring a personal toy from home. The exception would be for Show & Tell days, and the toy must remain in your child's cubby or with the teacher until it is time for the activity.

### **Jewelry**

For safety reasons, we suggest that children not arrive in school wearing jewelry, hair beads or other fashion accessories. In addition, if lost, this is very upsetting for your child. Apple Child Care does not take responsibility for lost personal items.

### **Mandated Reporters**

Under the Child Protective Services Act (23 Pa. C.S. Chapter 63), all Apple Child Care staff under this law are mandated reporters. They are required to report any suspicion of abuse or neglect to the appropriate authorities (55 Pa. Code § 3490.11). Employees are not required to discuss their suspicions with parents prior to reporting the matter to the appropriate authorities, nor are they required to investigate the cause of a suspicious marks, behavior, or condition prior to making a report. We take this responsibility very seriously and will make all warranted reports to Childline at 800-932-0313. The Child Protective Services Act is designed to protect the welfare and best interest of all children. As mandated reporters, the staff are not liable for reports made to Child Protective Services which are determined to be unfounded, provided the report was made in "good faith."

### **Limited English Proficiency LEP**

Our enrollment policy regarding Limited English Proficiency (LEP) is designed to ensure that the staff makes every effort to promote communication and understanding for those children and their immediate families who are identified as having (LEP). Once enrolled our staff will integrate that child into the classroom. Once a child or family has been identified as needing translation or interpretive services, Apple Child Care Center will assign a staff person who may speak their language to assist, and/or reach out to other members of the family or a community representative to assist with translation services.

Any parents or guardians, who believe that they have been discriminated against, may file a complaint of discrimination with any of the following:

### Full-Time & Part-Time Programs

Children who are enrolled full-time attend five days per week, Monday through Friday. Part-time is fewer than 5- days per week. The days that the child attends may be either on a fixed or flexible weekly schedule (availability permitting).

On a fixed schedule, the child attends the same days each week while a flexible schedule has varying days based on the schedule needed for the child and the availability in the classroom.

Families who require a flexible schedule will be asked to provide a weekly schedule each Monday of the days that they will need care for. Whether the child is on a fixed or flexible schedule, families are not permitted to alternate or make up days missed due to illness, vacation, or closures due to inclement weather. The only days that are allowed to be made up are days missed due to school closure for holidays that land on your child's scheduled day, and only if our classroom ratio permits.

At times, families may want to add an additional day to their child's schedule. These requests should be made to the school director or administrative staff. A request for an additional day must be made at least 24 hours in advance and acceptance will be pending based upon availability and is not guaranteed. If accepted, the family will be charged the daily tuition rate for the additional day.

### Parking & Pedestrian Safety

Apple Child Care Center has street parking for families for drop-off, pick-up, and special events. Park on Hawthorne Street or adjacent streets, which are Disston St. or Longshore Ave. We ask that vehicles slowly enter and leave the street in front of Apple Child Care Center and adjacent streets to ensure the safety of all children. We urge parents to find a parking space and **not** to double-park on the street for pedestrian safety.

### Arrival and Departure

Our front door is locked at all times. Parents will need to ring the bell and will be let into the building. When you arrive with your child, please store personal items, such as coats, sweaters, or extra clothes in your child's school bag. Escort your child to the designated drop-off area or classroom, and feel free to give any messages to the child's teacher.

When arriving we ask that parents not bring inappropriate foods and drinks for their child. Apple Child Care provides free nutritious meals and snacks, and parents are encouraged to participate. Parents can bring food for their child, if it meets high quality U.S.D.A. meal standards (reference: USDA MyPlate food groups, proportions, and healthy choices).

### Preparing Your Child for Arrival

When arriving, your child's name must be placed on all items that you bring to Apple Child Care Center for your child, including the bag or backpack. We encourage children not to bring their own personal toys to

Apple Child Care Center. If your child does bring a preferred toy, or an item for Show & Tell, please leave the toy in their school bag, and inform your child's classroom teacher of the item.

After dropping off your child and departing Apple Child Care Center, should you have any questions or wish to discuss a concern, please call us. Sometimes we are so very busy with the children that we do not get to every incoming phone call; so, if your call goes to voice mail, please leave a message, or try us back a short time later. You can also email us at [info@applechildcare.org](mailto:info@applechildcare.org) or connect directly with your child's teacher on the **ClassDojo App**. The **ClassDojo App** is a messaging communication platform specifically used in education between parents and teachers, and our staff can help you set it up on your phone.

### **Smoke Free**

Apple Child Care Center is a smoke-free building. We also request that parents not smoke or vape on or near our property, or in sight of children in our care.

### **Drop-Off**

Drop-offs must happen by or before 9:30 am (except for the PHLpreK program). All classes (aside from PHLpreK) start promptly at 9:30 am. Our front door staff are no longer assigned to answering the door after that time. Late drop-offs then become disruptive and even unsafe. Please call before 9:00 AM if you know your child is going to be late to school so that we may effectively accommodate you.

PHLpreK students must be dropped off between 8:00 am and 8:30 am. Pick-up is between 2:30 pm and 3:00 pm (or earlier). Apple Child Care Center offers a Before School (drop-off: 6:30 am-8:00 am) and Aftercare (pickup: 2:30 pm-6:00 pm) program at additional cost, and schedules are on a fixed basis. Please ask about this option and rates should you need additional care for your child and speak to the director of the PHLpreK program Josh Borenstein or the school office. Space is limited and not guaranteed.

If your child is absent from school due to illness, appointments, vacation, or any other reason, please inform your teacher. They may ask why the child was, is, or will be absent, this is to help us track contagious illness and respond accordingly.

### **Pick-Up**

When picking up your child at the end of the day, you will be greeted by our staff. We ask that parents proceed to their child's classroom. Remember to check the child's daily sheet to gain a sense of their day. Also, check any bedding or clothing being sent home as they may be soiled thus needing to be replaced for the next school day. If you have any further questions or concerns about your child's day, please feel free to call or email the center or contact your child's teachers directly on the **ClassDojo App**.

The center maintains an **Emergency Contact/Parental Consent** form. Persons (in addition to the parents) that you authorize to pick up your child must be listed on this form. At the end of the day, a child will not be permitted to leave the center with anyone who has not been previously given authorization by the parent. This form can be updated at any time you wish by completing a new form, providing it to our school office, and by signing and dating the form.

If it becomes necessary for someone else to pick up your child and they are not on the Emergency Contact/Parental Consent Form, then written advance authorization must be provided by the parent. If you are unable to provide written notification, the parent must call the center and speak directly with the school office, the child's teacher or the director to advise us of your authorized pick-up plans.

A child will not be released to a parent/guardian or other authorized person if the staff suspects that this person may be under the influence of drugs or alcohol. An authorized pickup person must provide the child with a proper seat restraint appropriate for his/her age and weight. If a parent is restricted from picking up their child due to a court order, then a copy of the court order must be provided to Apple Child Care Center, which will be placed into the child's confidential file.

### **Late Pick-Up Policy**

Apple Child Care Center closes at 6:00 PM. Our staff appreciates that the children are picked-up prior to closing. For each late pickup, a fee of **\$1.00** is charged to the parent for every **1-minute** interval or time therein after 6 PM. The late fee is paid directly to the staff members.

If you pick up your child late, please call the center to inform the staff of your anticipated arrival time. If we do not hear from you by 6:00 PM, we will contact a person on your child's Emergency Contact list and ask them to pick up the child and the late fee will be added to your account. Late pickup charges may then apply.

### **Parent's Right of Access**

A parent of a child in care shall be permitted free access, without prior notice, throughout the child care space whenever children are in care, unless a court of competent jurisdiction has limited the parental right of access to the child and a copy of the order is on file at the facility. Reference: 55 Pa. Code § 3290.20. In addition, all parents / guardians of enrolled children are entitled to participate in their child's classroom activities, unless there is a court order limiting their visit and which must be on file at Apple Child Care.

### **Court Orders**

In cases where the child is the subject of a court order, due to a Custody Order, Restraining Order, or Protection from Abuse Order, a parent / guardian must provide Apple Child Care Center with a Certified Copy of the most recent order and all amendments thereto. The orders of the court will be strictly followed unless the custodial parent(s) requests a more liberal variation of the order in writing. In the case where both parents are afforded shared/joint custody by order of the court, both parents must sign the request for more liberal interpretation of the order. Any changes to the court order must be provided to Apple Child Care Center to ensure the safety of your child.

In the absence of a court order on file with Apple Child Care Center, both parents shall be afforded equal access to their child as stipulated by law. Apple Child Care Center cannot, without a court order, limit the access of a one parent by request of the other parent, regardless of the reason. If a situation presents itself where one parent does not want the other parent to have access to their child, we suggest that the parent keep the child with them until a court order is issued, since our rights to retain your child are secondary to the other parent's right to immediate access. Apple Child Care Center staff will contact the local police should a conflict arise. We urge parents to not involve their classroom teachers in personal disputes over custody, visitation schedules, child support and other related issues.

### **Dismissal of a Child from our Program**

We at Apple Child Care Center understand the importance of a high-quality preschool experience for young children. Our teachers and Director make every effort to help young children transition into their classroom, and we use many classroom management strategies based on safety and encouragement. The teachers may set goals for improvement that refer to the child's behavioral, physical, language and/or learning issues. Documentation based on observations may be provided to the parent, and a parent conference may be scheduled. If none of our strategies are successful, and if there are continuing safety issues, then Apple Child Care Center reserves the right to dismiss the child from our program. If the center *can no longer accommodate* your child, and dismissal becomes necessary, then we require parents to leave in a calm and respectful manner.

A child may also be dismissed if the family's language or actions are aggressive or abusive to their child or to any staff member. Once dismissed the family will no longer have any rights to be on our premises and will also not be charged tuition from the date of the discharge.

### **Child Illness**

Sending your child who is showing signs of an illness or is over medicated to hide the symptoms to Apple Child Care is not permitted. Children should be kept at home until symptoms subside. If your child is at Apple Child Care and is showing signs of an illness, then the parent will be called to pick-up. If your child has been ill, see their pediatrician and provide us with a note that your child can resume preschool.

A doctor's note is required upon return to class if your child is absent due to illness 3 or more days. Children that are sent home due to an illness that presents at Apple Child Care, return to school is up to the Director's discretion.

### **Meals & Snacks Food Service**

Apple Child Care Center offers a free, high-nutrition meal program for all enrolled children and we participate in the USDA Child and Adult Care Food Program (CACFP). We serve breakfast, lunch, and afternoon snacks, and meet standards established by the U.S. Dept of Agriculture for young children. As

an example, lunch includes are a protein, fruit, vegetable, grain, and milk.

No pork is served in any of our foods. Children with food allergies, religious dietary restrictions, or special needs will be accommodated with meal substitutions. Infants are provided with Iron-Fortified formula, cereals, and other foods. The school office will provide each family with an application, which is submitted to a program administrator. Families that do not wish to participate in the free meal program, can pack meals for their children. Apple Child Care Center provides bowls, plates, napkins, and utensils.

Breakfast is served 8:00-8:30 AM, lunch is from 11:30 AM - 12:00 Noon, and afternoon snack is 3:00 PM (2:00 PM for PHLpreK class). This meal schedule does not apply to children in the Infant Room. Infants are on their own individual schedules and are fed when hungry.

If families provide lunch, it should be sent to school in the child's lunchbox. Lunchboxes then get stored in our refrigerators. Put your child's name on all their items.

### **School Schedule**

Apple Child Care Center is open Monday through Friday, 6:30 AM until 6:00 PM, 12 months per year. The center is closed on the days listed in the Enrollment Agreement or provided by the school office.

PHLpreK has a slightly different schedule than the rest of Appletree, due to this program follows the Philadelphia School District calendar for days off. Therefore, PHLpreK children can be added to our extended care on these holidays, on an as-needed basis and at additional cost. Parents should discuss this with the Director or school office.

### **Holiday Closures**

Apple Child Care Center is closed on certain federal holidays. Families will be notified in advance of any changes in the closure schedule. You can also review these dates by a) the Enrollment Agreement, b) asking at the school office or with the Director, or c) contacting teachers via ClassDojo App.

### **Supervision of Children**

Children at Apple Child Care Center are supervised at all times when under the care of a teacher. Within the center, staff members are assigned to the supervision of specific children in their classroom based on their age group. In addition, all teachers must maintain specific child-to-staff ratios when supervising. It is our policy that gentle and encouraging language is used with all children in our care.

When families arrive or are departing at Apple Child Care Center with their child, the child is then under the family member's direct care during those moments, and therefore not under the supervision of Apple Child Care Center staff.

Apple Child Care Center meets and exceeds the standards set by the Commonwealth of Pennsylvania for the employment of staff. All our teachers must be at a minimum of 18 years of age. They must also have at least 2 years prior experience working with children and verifiable references, pass multiple security clearances (including the PA Child Abuse clearances, National Child Abuse clearance, Pennsylvania State and FBI clearances), complete a physical health assessment (including the Mantoux screen) from a qualified health care provider, submit their high school and college diplomas, submit transcripts, undergo training for Fire Safety, Mandated Reporting, and CPR/First Aid, and take additional training and coursework in early childhood education on an ongoing basis.

In addition, all staff must be passionate and engaging when working with children. We hire teachers able and willing to work cohesively with their team, children, and families while creating an age and developmentally appropriate environment. Teachers must meet standards of conduct as described in their employee handbook and consistent with Keystone Stars certification standards.

### **Inclement Weather**

We understand that childcare is a necessity, and our families depend on this care. Thus, every effort will be made to keep the center open. However, there will be times when the weather is severe enough to make getting to Apple Child Care Center difficult and even unsafe for families and staff. Under such adverse conditions, it may be necessary to open the center later than 6:30 AM or close the center earlier in the day.

If the Philadelphia School District closes due to adverse or the anticipation of adverse weather, then Apple Child Care Center will also close. If the Philadelphia School District opens late due to adverse weather, then Apple Child Care may open late as well.

To keep families informed on the status of the center's closures please feel free to check in with your child's teacher on the **ClassDojo App**, email the center, call, and leave a message, or check our Facebook page for updates at: <https://www.facebook.com/AppleChildCareLLC/>

### **Withdrawal of a Child by a Parent**

If a parent voluntarily withdraws their child, we request, if possible, a two-week advance written notice to the Director of Apple Child Care Center. A minimum of two weeks' tuition will be charged from the day that the written notice is given.

*Seasonal Withdrawal:* Occasionally a family will express a desire to withdraw their child from Apple Child Care Center during the summer months only and return in the Fall. The only way to guarantee a spot for your child in September is to keep them enrolled and continue to pay tuition through the summer. This includes PHLpreK. Should you find it necessary to withdraw your child for the summer, you will need to reapply to the center for September (or the desired start day) and may be added to the waitlist. Apple Child Care runs its programs 52 weeks each year.

The PHLpreK program runs 180 days per year. Parents of PHLpreK children have the option of enrolling their child in the Apple Summer Camp program at additional cost, which may be covered by subsidy (if the family qualifies), or as private pay. Contact the Director for information on costs and enrollment.

### **Transitioning to Another Educational Center**

Apple Child Care Center will assist you and your child in transitioning to kindergarten. Children who will be 5 years old on or before September 1st are eligible for kindergarten, and parents should register their child at a neighborhood elementary, charter or periodical school.

### **Health Assessments**

Pennsylvania law requires each child to be examined by a licensed physician, and that a completed child Health Assessment, signed and dated by the pediatrician, must be provided to the center no later than 30 days following the child's enrollment date. Apple Child Care provides the form that must be completed by your pediatrician. If your child's Health Assessment is not received within 30 days, or if their yearly updated Health Assessment is not received within 30 days of the expiration date, then Appletree reserves the right to withdraw the child.

Each child must have a physical examination and a health appraisal updated annually, or more frequently as recommended by the American Academy of Pediatrics or The Center for Disease Control. The health appraisal from the pediatrician must include:

- A review of the previous health history
- A physical examination
- Growth assessments
- Review and update of the child's immunization status.
- Any recommendations pertaining to the physician's assessments of a disability or health problem and any recommendations for treatment.

If a child does **not** receive an immunization due to a medical reason, a parent's strong personal objection or due to a religious belief, then a statement to that effect must be provided to Apple Child Care Center in writing by the physician and by the parent. A child that is not immunized can be excluded from enrollment in our programs at the discretion of the Director.

We also urge parents to regularly schedule a checkup for their child with a pediatric dentist.

### **Illness**

Children need not be excluded from Apple Child Care Center for a *minor* illness, such as a slight cold, as long as they can participate comfortably in program activities and do not require greater care than staff can provide without compromising the health and safety of the other children.

At the discretion of the Director or school office, families may be asked to pick up their child, who develops vomiting, diarrhea, and/or an auxiliary fever of 100 degrees either alone or in combination with other symptoms including sore throat, while at Apple Child Care Center. Should the child continue to manifest these symptoms at home, the child cannot be brought to Apple Child Care Center, unless the director provides specific authorization.

If a child shows symptoms of a potentially communicable disease, such as, a suspicious rash, sores, or purulent eye discharge, then a physician must verify the child's diagnosis and begin an appropriate treatment. Written documentation must be provided to Apple Child Care Center from the child's physician concerning the condition of the child prior to returning to the center, and noting when the child can return.

A sick child may not return to the center until at least 24 hours after the signs and symptoms have subsided, the fever is gone, and treatment has begun. However, the length of time a child is asked to stay home, to recover and/or prevent the further spread of contagious illnesses, can change depending upon the illness or symptoms. DO NOT send sick children to school on fever suppressant medications. These only temporarily relieve the child of their symptoms and don't offer them the necessary rest and recovery that they deserve. Fever reducing medication also does not suppress the contagiousness of the child's illness. As always, our priority is safety of all the children in our classrooms.

Whatever the nature of your child's illness, please call the center to advise the staff that your child will not be coming, what the symptoms are, and when your child may be well enough to return.

### **Medications**

The staff will not administer over the counter and prescription medications. An exception may be for a prescription medication on a case-by-case evaluation basis by the Director, who may review this policy for a child when the parent provides written consent. An authorization form will be provided to you, and it must be completed and signed. All medications must be in the original container, and it is the responsibility of the parent to label the container with the child's name and provide dosage and frequency of administration. Please give any medication to a staff member so it can be safely stored until it is to be administered. Please do not put any medication in your child's lunch box or in your child's cubby.

### **Children with Severe Allergies**

For the safety of your child, a parent must provide a list of all allergies as relates to food, environmental allergies or other, and sign / date the notification. Also include the child's pediatrician or other doctor that may be treating your child, the doctor's orders and procedural guidelines regarding prevention and treatment.

### **Lice (Pediculosis)**

Children with active lice or nits may not enter the Center. Parents must monitor their children for a minimum of 10 consecutive days following any infestation of lice in their child's head and advise Apple Child Care Center staff if any nits or crawlers have been found. Additionally, Apple Child Care Center staff reserve the right to check children's heads periodically and at random. If lice are found, Apple Child Care Center follows the procedures recommended by the American Academy of Pediatrics for a daycare center, which includes:

- a. Cleaning: Carpets are thoroughly and repeatedly vacuumed. The vacuum cleaner is removed to the outside of the building and the waste emptied. Hard surfaces, including counter tops, tables, floors, and toys, are wiped down with a diluted bleach solution.
- b. Inspection: Teachers put-on gloves and check the back hairlines of the children, working up towards the sides and top of the head.
- c. Isolation: If activity on the scalp is found, the child is separated from the group, the clothes and bedding placed into a plastic bag, and the parent called. Our childcare center is re-cleaned using the steps above.

### **IFSP & IEP**

For children that have an Individualized Family Service Plan (IFSP) assessment or an Individualized Education Program (IEP) assessment, we request a copy of the report, which will be kept in the child's confidential file in the office. If a parent wants a representative of Apple Child Care to be included in an IFSP or IEP team meeting, for documenting progress or setting individual goals, then that request should be discussed with the classroom teacher, school office and Director.

**Children's Rest Time**

Shortly after lunch, the children have a rest period. Each child has his/her own rest mat that is labeled with the child's name. Each infant has his/her own crib. Parents are asked to provide a crib sheet and a child-sized blanket or quilt. The sheet and the blanket should be labeled with the child's name. Sheets and blankets are sent home on Friday to be laundered and are to be returned on Monday.

**Clothing**

There ***must always*** be a complete change of clothing, including socks, in your child's cubby. These articles should be labeled with your child's name and should be checked periodically to make sure that the clothes still fit and that they are appropriate for the season. If it is necessary for staff to use the extra clothes that were in the box, please make sure to replace the items the following day.

Children should come to school wearing comfortable, practical clothing that is appropriate for the season that allow for easy and safe movement as well as full participation in active and messy play. Clothes should be free of complicated fastening. Belts, suspenders, and one-piece rompers are difficult for staff when changing diapers and difficult for children when going to the bathroom. Since the children are often involved in creative activities that include the use of paints and glue, their clothing should be sturdy and washable so that the child does not have to worry about getting dirty.

The children go outside to play every day unless the weather is rainy, extremely cold or extremely hot. Please make sure your child wears shoes that are suitable for running and climbing - no clogs, sandals, or flip-flops that can easily slip off. Also, please be sure that your child wears a heavy jacket, hat, and mittens once the weather turns cold.

**Potty Training**

Your child's toddler teacher will assist your child's potty training, and with encouragement. In order to enter a preschool or PreK classroom (3 – 5 years of age), a child must be already potty trained.

**Toys & Other Personal Items**

Our policy at Apple Child Care Center is to strongly discourage children from bringing toys or small objects from home unless a special "Show & Tell" day has been announced. For Show and Tell, the toy should be left in the cubby at arrival and until needed by the teacher. Do not bring small objects that can be put into the mouth and present a choking hazard, especially to infants and toddlers who find tiny items fascinating.

Apple Child Care Center is ***not*** responsible for personal items, including laptops, tablets, etc. that are brought from home, should they be broken or lost.

When a child brings a toy from home, other children in the group want to play with that toy too. Quite often sharing becomes a problem when this situation occurs. It is very upsetting for the owner if the toy should get lost or broken. Therefore, please keep your child's toys, money, action figures, small plastic figurines, and jewelry at home.

**Parent-Teacher Conferences**

Maintaining good communication between the parent and teacher is very important. When a parent is actively involved in their child's progress, there is greater success.

Parent-Teacher conferences are scheduled so that the development of your child can be discussed. Parents can request a conference at any time, are encouraged to contact our staff with any questions regarding their children and activities.

**Communications**

It is the desire of the staff at Apple Child Care Center to remain in close contact with the parents of each child. The most effective forms of communication include the **ClassDojo App**, talking to your child's teacher, emailing and calling the center directly.

The teachers maintain age-appropriate learning records for each child in their group. You will be offered the opportunity to discuss your child's progress with his/her teacher a few times during the year. Additionally, staff members are always available for more informal discussions concerning happenings at

school.

We want our parents to feel involved in the program; therefore, we hold special events and activities throughout the year which we encourage parents to attend.

Other sources of information for our parents include daily reports, letters and announcements placed in cubbies or posted in classrooms. Parents also receive monthly calendars indicating the themes children will be working on at school.

### **Incident Report**

We make every effort to keep children safe! However, young children have accidents. Your child's teacher will complete an incident report and provide it to you. Parents are encouraged to discuss the incident with their child's teacher.

### **Disciplinary Procedures**

Proper boundaries and appropriate structure enable children to function happily, safely, and successfully in a group situation. In all events, teachers are encouraged to use calm, empathetic, and compassionate interventions when working with the children. This process is also used with escalated behaviors.

At Apple Child Care Center "time-outs" are not used as a disciplinary measure but as a "cool down" to prevent escalation and to ensure safety. Teachers implement Social Emotional Learning consistently to promote pro-social behaviors and to minimize behavioral challenges.

### **Field Trips**

If consistent with our class curriculum, then a field trip may be scheduled. Notification of a field trip will be sent home in advance of the trip, and include the destination, date, time, reason for the trip, cost, and mode of transportation. Parents are required to provide written permission for their child to attend. Parents are encouraged, but not required to attend with their child.

### **Fire Drills**

To ensure the safety of our children and in keeping with the state regulations, Apple Child Care Center schedules fire drills regularly. During a fire/emergency drill, parents may not sign children into or out of the program. Parents must wait until the drill is complete and children have returned to the building to sign their child in or out of the program. Parents may feel free to wait with the child's class in the designated safe zone outside of the building until the drill is complete.

### **Emergency Response Evacuation of the Building**

All staff are trained in Emergency Response recognition and procedures each year. If a real fire emergency situation presents, staff will evacuate to our remote shelter-in-place location, supervise the children, and parents will be notified by telephone of the situation. Parents will also be advised as to where our designated remote shelter-in-place is located for pickup of their child.

### **Safety, First Aid**

The safety of our children is our absolute priority. Every precaution will be taken to insure their well-being. Children will always be within line of sight and sound of their teachers. All teachers are required to receive training and pass certifications in first aid. Staff persons are also encouraged to become certified in infant/child CPR.

### **PHLpreK**

PHLpreK is a free Philadelphia Pre-Kindergarten program funded through the city's beverage tax, that is offered to over 225 locations throughout the city. Apple Child Care Center worked hard to get the PHLpreK program approved for our center, and we now have three (3) dedicated PHLpreK classrooms. Each classroom accommodates 20 children. Classroom hours are Monday-Friday 8:00 am to 2:30 pm

All children who are 3 or 4 by September 1, 2023, and reside in Philadelphia County are eligible. For additional information about this program visit <https://www.phlprek.org/> or contact our school office or Director.

**Before & After School Program (B&A)**

Apple Child Care offers Before & After School hours for PHLpreK students, and we accept CCW tuition subsidy as well as private pay. Ask at the school office for information on enrollment and rates.

**Firearms**

At no time is any individual allowed into the building with a firearm, and any violation is an immediate dismissal from the program. The exception would be police officers, who are trained and also required to carry their weapon at all times.

**Additional Services**

The staff is continuously assessing programs to offer, and we will advise you of these activities.

*Please let us know whenever we can answer any questions or otherwise be of help!*

## Parent Signature Page

Please sign and date below to acknowledge that you have received a copy of The Parent Handbook (either printed or digital), which was prepared to provide you with a better understanding of our programs and policies. A copy of the Signature Page will be kept with your child's file in our school office. Apple Child Care Center reserves the right to change or add provisions in the Handbook periodically to reflect our policies.

Please share any concerns or questions regarding policies with our Director or Administrative Staff.
